## MESSAGE FROM THE ORGANIZER

After a six-year pause, our organization has been assigned the task to organize the Czech Open Sporting Championship. I want to invite all competitors to the gorgeous surroundings of the „Na Kozlici“ shooting range in Dnešice, where new amenities have been built during the last year. In view of our more than 15 years of experience with organizing sporting competitions, we are confident that the upcoming championship will be one of the high points of this season. I want to use this opportunity to thank everyone who helps us improve the conditions at our shooting range. Specifically, I want to extend my thanks to all partners, most notably the Pilsen Region, for providing financial and in-kind support during the preparation of this prestigious event. I trust that the spirit of fair play will be observed by all competitors, referees, and spectators alike.

Looking forward to seeing you in Dnešice!
